

BREW360[®]

Introducing Brew360. The new way to round out your iced tea production. Brew360 filter packs feature a patented circular shape designed to fit perfectly into standard brew baskets.

Brew360 Offers Operators These Great Benefits:

- *Patented, Proprietary Design – enhances brewing/maximizes flavor.*
- *Round Shape fits Properly into Brew Basket – prevents water channeling.*
- *Provides consistent tea color and flavor.*
- *Easy-to-Position – simply place into brew basket for full coverage.*
